WOULD YOU LIKE TO BE UID WELCOME OFFICER 2016?

The task of the Welcome Officer’s is to really make the new students feel welcome, both before coming to UID by keeping in touch with them during summer, and by taking part in planning and carrying out the welcome activities and Orientation course that is organized the week before autumn terms starts (23-26 August). You could manage most of these tasks digitally – but you need to be in Umeå the orientation course week.

The main task is to be available and supportive to the new UID students by regularly checking and replying to questions they ask – both on the UID students/staff Facebook group and by e-mail. Examples could be questions regarding visas, housing, insurances etc. You will also be the liaison for any questions or issues of very urgent and important nature that might arise on the new students’ side, and in case of emergency or urgency contact designated UID staff to inform and handle these issues.

You will be paid according to UID remuneration guidelines for students.

If you are interested, contact staff administrator Sara Eriksson: sara.eriksson@umu.se or 090-786 69 96. Last day to apply is May 28. We are looking forward to receiving your applications!
