Equal opportunities – March 1 2017

Participants: Rickard, Sara

Agenda

1. Follow-up waffle Wednesday
2. Student project

1. We will take the follow-up next meeting since there’s only staff participating this time.

2. A staff member and a student contacted a representative in the equal access group about a project poster. They felt that the poster could be interpreted as objectifying females rather than communicating the project idea. The issue has been brought to the responsible programme director and vice rector. The equal opportunities group thinks this is a good example of the need to discuss what we in our educations feel is proper communication of design and what is too much. We will raise the question with the students at the next meeting.

Next meeting; Wednesday, April 5 (after school meeting)
