Equal opportunities – May 3 2017

Participants: Sara, Niklas, Frida

Presentation of the equal opportunities group

Discussions regarding how we should introduce our group to the students in the beginning of the fall term. We will prepare a very short presentation during the next meeting.

Equal opportunities during the introduction week

Could one of the assignments include questions regarding equal opportunities? We will raise the question with the planning group of the introduction week.

Statistics

We will look at which kind of statistics is relevant to gather each year. For example external teachers/lecturers (Wednesday lectures).

Equal opportunities in the course plans

A review of course plans will be done – are questions regarding equal opportunities mentioned? How, and what does it mean in practice? Preparations will be made so we can look at the questions next meeting.
