Equal opportunities – November 1 2017

Participants: Sebastian, Carolyn, Sara

Today’s meeting:

Sara showed the updated yearly plan and told about the meeting with Lotta Turborn from the Art Campus library. Lotta showed an example from KTH – how the school has been creating a booklet around the topic ‘architecture and equality’. She also will help to find literature regarding equal opportunities and design, and ask her colleagues if they can mark those books in the Art Campus library.

We will look at the material and start to plan for a UID version of a booklet.
